## Cancellation Policy

Tahoe Health Touch appreciates your effort in meeting your scheduled appointment. Since Tahoe Health Touch is only available to clients on a part time basis, we often have a waiting list. Therefore, you are requested to provide a minimum of 24 hours notice if you need to cancel your appointment.

If you are a “no show/no call” for your appointment or if you do not give our office 24 hours notice that you are canceling your appointment, you will be asked to pay, in full for your canceled appointment. In addition, this payment must be made before your next appointment.

If your missed appointment is due to an emergency, i.e. medical, you will not be asked to pay for the appointment. Thank you for your agreeing to this policy with your signature.
